CAREER COUNSELLING AT DPS NOIDA

“The careers of tomorrow will be shaped by innovation, adaptability, and lifelong learning. Schools must prepare students not merely for college admissions, but for meaningful participation in a rapidly evolving world. At DPS Noida, we strive to help every learner discover their strengths, explore emerging opportunities, and make informed choices for the future.”

(Dr. H. S. Vashistha)

Principal

At DPS Noida, Career Counselling is an integral part of our commitment to nurturing informed, confident, and future-ready learners. Under the visionary leadership of Principal Dr. H. S. Vashistha and the guidance of Head Career Counsellor Mrs. Hena Akhtar, the Career Counselling Department empowers students to make thoughtful academic and career decisions in an increasingly dynamic global landscape.

Our comprehensive counselling programme offers:

- Individual career counselling sessions
- Aptitude, interest, and personality assessments
- Academic planning and subject selection guidance
- Career exploration workshops and seminars
- Parent counselling and orientation sessions
- University and course selection guidance
- Application planning and admissions timelines
- Scholarship and financial aid guidance

Through personalized support, students gain clarity about their interests, abilities, and aspirations, enabling them to make well-informed decisions about their future pathways.

Our students regularly secure admissions to prestigious institutions in India and abroad across diverse disciplines, reflecting the strength of both our academic and counselling framework. Students have successfully gained admission to leading global universities including Harvard, Yale, MIT, Oxford, Johns Hopkins University, and other renowned institutions in the USA, UK, Canada, Europe, Singapore, and Australia. In India, students have secured places in premier institutions such as SRCC, Hindu College, Lady Shri Ram College, St. Stephen's College, IITs, NITs, AIIMS, NLUs, and other top universities through pathways including CUET, JEE, NEET, CLAT, and other competitive examinations.

Recognizing the changing nature of careers, DPS Noida actively introduces students to emerging fields and future-focused opportunities through:

- Interactions with university representatives
- Alumni engagement sessions
- Industry expert talks
- Career awareness programmes
- Skill-development workshops
- Higher education fairs and networking opportunities
- Exposure to emerging careers and future-ready skills

These initiatives help students understand evolving career trends and make informed choices aligned with their interests and future aspirations.

A Collaborative Approach

We believe that effective career planning is a collaborative process involving students, parents, educators, and counsellors. Regular communication and guidance ensure that every student receives holistic support throughout their educational journey.

As part of the DPS Society's commitment to excellence in career guidance through CAP (College Access Program), DPS Noida continues to integrate best practices and innovative resources to prepare students for success in higher education and beyond.

Our goal is to equip every learner with the knowledge, skills, confidence, and global perspective required to thrive in an ever-changing world and build a fulfilling and meaningful career.
